AksaTech
Converting Your Vision to Value

Who we are?

AksaTech Solutions Pvt. Ltd - Company Profile

Who we are:

AksaTech is global Software Solutions & Consulting Firm and its affiliated undertakings. Working in 3 major countries worldwide USA, UK and India, we are able to provide cost effective and quality services.

We started our operations in 2004. We have an offshore Development Team in Bangalore, India. We are engaging our business activities in US & UK through our own branches. We have good customer base in India. Our aim is to understand your business objectives and to be considered a critical arm of your organization; your success is a measure of our success. We focus on developing easy, efficient, and effortless solutions for our clients. We also assure fast turnaround time, without any compromise on quality.

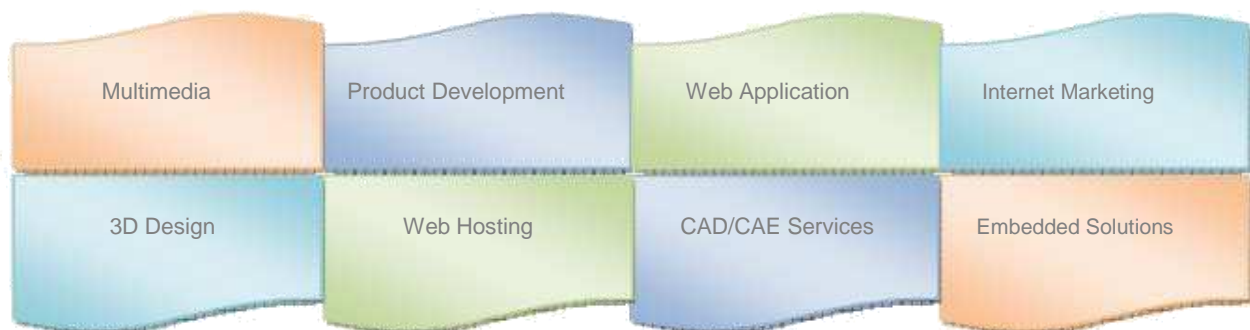

We solely believe that everything we do involves best talent, cost efficiency and transparent communication, which help long term relationship with clients.

Our aim is to understand your business objectives and to be considered a critical arm of your organization; your success is a measure of our success. We focus on developing easy, efficient, and effortless solutions for our clients. We also assure fast turnaround time, without any compromise on quality.

Our force:

AksaTech is a global IT solutions provider. AksaTech core team is formed with skilled professionals in the areas of Multimedia, Software Development, Web Application Development, and Internet Marketing.

We are the member of NASSCOM (National Association Of Software & Services Companies) global trade body.

What is extra-ordinary at AksaTech – Internet Marketing?

AksaTech helps clients achieve online success through innovative, ethical and strategically-effective Internet Marketing services. Our strategies drive quality traffic to your site and help you launch your business online. Our Internet Marketing strategies can be toned-down to a simple, cyclic process: galvanize traffic; convert visitors to customers; retain existing customers; bring in new customers; and measure and optimize strategies to attract more traffic.

Increased traffic, higher ROI and distinguished web identity – AksaTech's Internet Marketing strategies can achieve all these for your business. Through white hat techniques, we pulverize your competitors and get your website to top search engine positions
